Dear Azeus Systems Limited's HR,

I am writing to express my interest in the Web Developer Intern position at Azeus Systems Limited, as advertised on LinkedIn. With my background in Computer Science, I am excited about the opportunity to contribute to your team.

I am deeply interested in the Web Developer Intern position at Azeus Systems Limited due to my admiration for your innovative approach to provide sound technical consultancy and implementation services for complex IT systems while building a company that respects its employees. As a final-year student majoring in Computer Science at **Ho Chi Minh University of Technology - Vietnam National University**, I have acquired a strong foundation in web designing, problem solving & coding skills in programming languages such as JavaScript, TypeScript, Java,... My internship experience at Tego Global, JSC further honed my skills in Software Engineering, preparing me to contribute effectively to your team. I am eager to apply my academic knowledge and practical experience to help advance Azeus Systems Limited's goals.

I would welcome the opportunity to discuss how my background and skills align with the needs of company in greater detail. I am flexible regarding the time and location of an interview and can accommodate your schedule. I will be in company on your specified date, and I would be glad to arrange a meeting at your convenience. Alternatively, I will follow up with you if my profile pass the screening stage to discuss the possibility of setting up an interview. I can be reached at (+84)32 720 4690. Thank you for considering my application.

I am looking forward to the possibility of contributing to your team.

Sincerely yours,
Tri
