Dear CMC Corporation's Human Resources Department,

I am writing to express my interest in the AI Intern position at CMC Corporation, as advertised on TopCV. With my background in Computer Science - Applied Artifical Intelligence, I am excited about the opportunity to contribute to your team.

I am deeply interested in the AI Intern position at CMC Corporation due to my admiration for your innovative approach to become the region's leading ICT company by means of continuous creativity and innovation in research, application of high-tech solutions and principle of always heading towards the professionalism and perfection in products and services.. As a final-year student majoring in Computer Science at **Ho Chi Minh University of Technology**, I have acquired a strong foundation in Calculus, Probability & Statistics, traditional Machine Learning (ML) & Deep Learning methods, coding skills in programming languages such as C/C++, Python, JavaScript,… and ML's frameworks (PyTorch, Scikit-learn,…) My internship experience at Tego Global.,JSC further honed my skills in Software Engineering, preparing me to contribute effectively to your team. I am eager to apply my academic knowledge and practical experience to help advance CMC Corporation's goals.

I would welcome the opportunity to discuss how my background and skills align with the needs of company in greater detail. I am flexible regarding the time and location of an interview and can accommodate your schedule. I will be in company on your specified date, and I would be glad to arrange a meeting at your convenience. Alternatively, I will follow up with you if my profile pass the screening stage to discuss the possibility of setting up an interview. I can be reached at (+84)32 720 4690. Thank you for considering my application.

I am looking forward to the possibility of contributing to your team.

Sincerely yours,
Tri
